ACKNOWLEDGMENT

I hereby state that the information given by me in this application is true in all respects. I authorize investigation of all statements contained in this application. I agree that misrepresentation or omission of facts called for will subject me to disqualification and/or dismissal from the company if I have been employed. I understand that employment is contingent upon meeting the physical requirements of the job and passing, to the company's satisfaction, a pre-employment physical examination including a drug/alcohol screen and consent there to. I understand that neither the company's acceptance of my application nor any offered employment to me will constitute a permanent contract of employment. I agree that the terms and conditions of my employment are subject to change without notice and that the employment policies and procedures at the company are not contractual commitments. I agree that any employment relationship between me and the company can be terminated at the will of either party at any time for any reason whatsoever. I understand that my disclosure of prior convictions for traffic offenses will not necessarily prevent my employment with the company. I understand that federal law prohibits the employment of unauthorized workers and that all persons hired must submit satisfactory proof of employment authorization and identity generally within three days of being hired. I further understand that the failure to submit such proof within the required time may result in my immediate dismissal from the company if I have been employed. I have read and agree to the above acknowledgements. I understand that my application will remain active for a period of 90 days; if not notified, it is my responsibility to submit a new application for further consideration.
